

XXVI WORLD CONGRESS

and International Vulvovaginal Disease Update

*Presented by the International Society for the Study
of Vulvovaginal Disease*

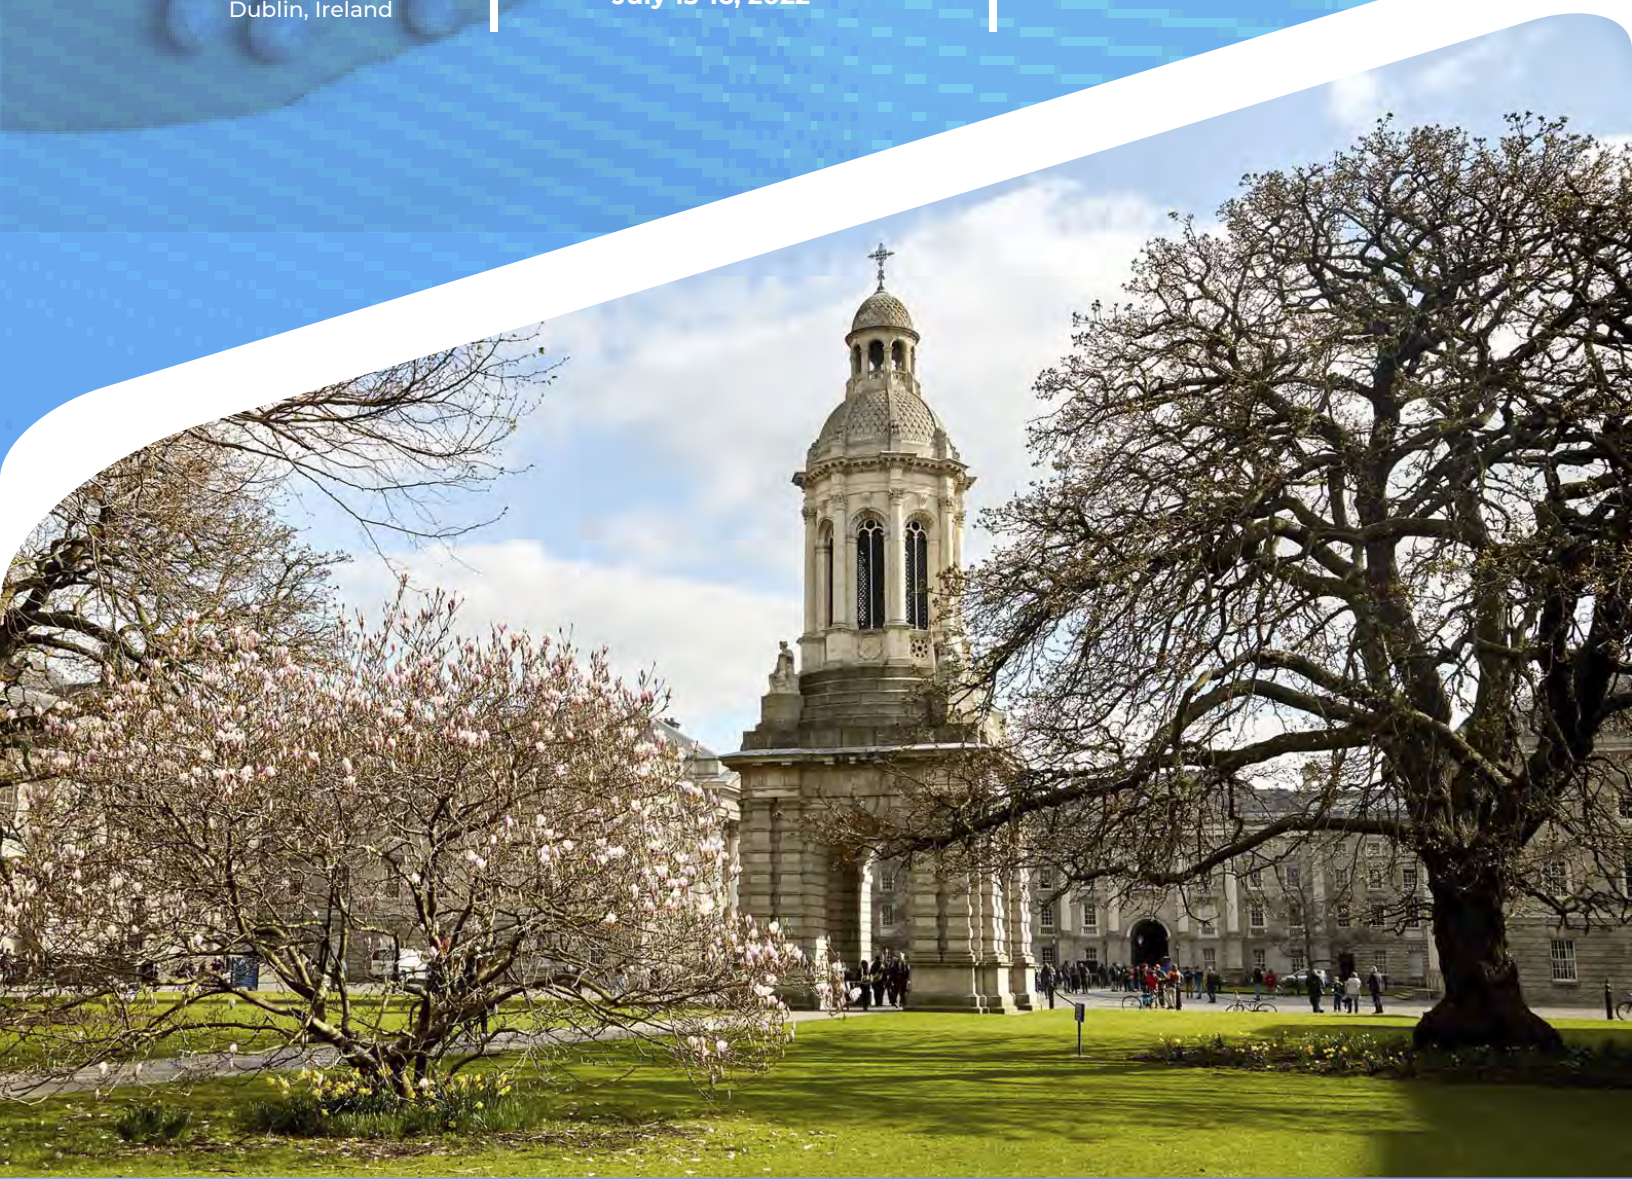

Both events held at
Dargan Auditorium
Trinity College
Dublin, Ireland

**International Vulvovaginal
Disease Update
July 15-16, 2022**

**XXVI World Congress
July 18-20, 2022**

Dear Colleagues,

On behalf of the **International Society for the Study of Vulvovaginal Disease (ISSVD)**, the Executive Council, Scientific Committee, and local Organizing Committee, it is our great pleasure to invite you to join us for The International Vulvovaginal Disease Update and XXVI World Congress of the International Society for the Study of Vulvovaginal Disease. The **International Vulvovaginal Disease Update (PG)** is a postgraduate course and will be **offered on July 15 & 16, 2022**, followed by the **XXVI World Congress (WC) held on July 18-20, 2022**.

The **International Society for the Study of Vulvovaginal Disease** is the foremost **organization for those providing care for children, adolescents and adults with vulvovaginal disease**. It is a truly international organization with members from more than 40 countries.

This meeting will be a **live event held in Dublin, Ireland and will be followed by a live hosted virtual event** with enduring materials available until January 2023.

We expect over 700 registrants with a substantial proportion being key decision makers and budget holders for their health institutions both regionally and internationally. Attendees are keen to learn from these world leaders to hear the recent innovation that is occurring in this sector and how advances in decision support, user interaction design and information and data discovery can assist in the practice of medicine. We will **work with our sponsors and exhibitors to ensure that they have every opportunity to connect and interact with our attendees**.

The ISSVD is passionate about making live connections and making this Event successful for all parties involved. **We would be happy to discuss any and all opportunities with you**, based upon your interests.

Sincerely,
Scientific Planning Committee

President, Colleen K. Stockdale, MD, MS
Secretary-General, Pedro Vieira Baptista, MD
Executive Director, Debbie Roepe
